M. I. Fagen,
City Clerk,

As Chapter 183, Laws of 1911, require the Board of Aldermen to re-adjust Election District lines that have within such districts more than 400 votes cast at the last General Election and that such re-adjustment must be done before May 15th, which is a date earlier than our next regular meeting, I do desire you to issue in my name a call for a Special Meeting of the Board of Aldermen for Saturday, May 6th, 1911, at 8 o'clock p.m., at the Assembly Chamber, City Hall, to take action in causing said districts of over 400 votes re-adjusted pursuant to said Law.

E. J. Heppenheimer,
President.

The following resolution was then presented by Alderman Power:

Whereas, The City Clerk has laid before this Board a copy of Section 1 of Chapter 183 of the Laws of 1911, which requires this Board to make division and re-adjustment of all election districts wherein at the last General Election more than 400 votes were cast so that no election district shall contain more than 350 registered voters, therefore be it

Resolved, That this Board, having the information that there are 28 election districts in Jersey City wherein more than four hundred votes were cast at the last general election, imme-

diately proceed to re-adjust pursuant to said law, and does hereby order the re-adjustment of the boundaries of the said election districts so that no election district shall contain over 350 registered voters; and to that end does hereby order and direct Michael I. Fagen, City Clerk, to procure all necessary books, stationery, maps, drawings, that may be necessary and needed for such re-adjustment, and be it further

Resolved, That as it will also be necessary to have the Registry books of the last general election examined and calculations made therefrom and from other available sources in order to ascertain the number of voters that reside on the several streets in each election district that may be altered or re-adjusted, this Board will be obliged to employ Clerks to make such examinations and calculations for its information and does hereby employ as Clerks Thomas K. Halstead, N. E. Feury, William H. Browning, E. A. Vreeland, William B. Reilly, H. J. Mauchet, Selig E. Ernst and Thomas F. Meeres, at a compensation or rate of seventy-five (75 cts.) per hour to examine said registry books and to inquire from other available sources of information and to make such calculations and to give such assistance as may be required for such re-adjustment of election districts under the direction and supervision of Michael I. Fagen, City Clerk, and that these expenses and compensation are made necessary and incur under and by virtue of the General Election Laws (Revision of 1898) and of Chapter 183 of Laws of 1911.

The resolution was adopted by the affirmative vote of all the members present eighteen in number.

On motion of Alderman Power the Board then adjourned.

The follow communication was presented, received and ordered filed:

The Pennsylvania Railroad Company
New Jersey Division.

Jersey City, Nov. 29, 1911.

Mr. M. I. Fagen,
City Clerk,

Jersey City, N. J.

Dear Sir:---

Mr. George W. Boyd has referred to us your communication of Nov. 23rd, in regard to rates of fare between Marion Station, the proposed Summit Avenue Station and Hudson Terminal, etc.

In reply, I beg to say that the proposed Summit Avenue Station will be within eighteen hundred feet of Marion Station as now located, and that in the present condition of the Train Service it would be quite out of the question to satisfactorily serve the larger portion of the population and introduce intermediate stops.

The Steam Service heretofore existing at Marion has not been curtailed---in fact a few more stops have been added.

The rates of fare from Marion by Steam Service are filed rates that have

been in existence for some time. The other rates alluded to, this Company is not competent to pass upon.

Yours truly,

F. L. Sheppard,
General Superintendent.

Applications for one (1) auctioneer, two (2) peddler, three (3) junk shop, three (3) public porter, and one (1) hand organ licenses.
